

EAT South Shore

PROVIDING OPPORTUNITIES AND RESOURCES TO
HELP YOU GROW AND SUCCEED.

With the understanding that it is difficult for restaurant owners, chefs, and managers to network in the same capacity as other South Shore Chamber members, EAT South Shore was created by a group of restaurateurs and the Chamber in an effort to raise awareness of restaurants on the South Shore.

Our dedicated website acts as an introduction to your food & beverage purveyor members by providing the public with the information they need to make an informed decision about where to eat. Added bonus: we will come and take professional photos to use on the website and social media.

We have great organic social reach on both Facebook and Instagram on both the Chamber and ESS channels. Some quick stats: We have 1,160 Facebook followers and 3,559 Instagram followers. We reach around 1,000 accounts organically.

Restaurants are listed on the websites for EAT South Shore, South Shore Chamber AND the Chamber's regional economic plan, South Shore 2030, as an important industry in the region. You can also add Jobs, Events, and PR to the Chamber website at no additional cost! Membership investment is \$500. If you have additional locations, you can add them for only \$100 each. Restaurants can choose to be billed monthly for only \$42 per month!

CURRENT PARTICIPANTS *(As of February 2022)*
